6. RESOURCES AND ENVIRONMENT MATTERS

6.1 Barming Youth Football Club: Pavilion Usage

Following the meeting with Cllr Gooch, Cllr Manser and the football club, usage has been confirmed and dates have been received for hiring purposes. Cllr Manser was pleased to report that the club are being charged correctly.

6.2 Barming Youth Football Club Banner

All members were in favour of a banner being installed at the pavilion but have asked if a substantial board is installed, as opposed to a flexible banner as this could be easily ripped in poor weather conditions and become unsightly. The solid board must not be any larger than one panel length of the fencing in the car park; the Clerk will inform the club of the decision. **ACTION: Clerk**

6.3 Parish Hall Cloaking

Cllr Gooch informed members that the work to cloak the end barge boards will commence on Monday 16th October 2017.

6.4 Pavilion Maintenance

a) Exterior Wash down Quotes

The three quotes that had been received were considered by members. Cllr Manser proposed to accept the quote from Clearwater for £150 +Vat per visit which was seconded by Cllr Willson with all in favour. The Clerk will instruct Clearwater to proceed with the work. **ACTION: Clerk**

b) Car park resurfacing

As members are not satisfied with the work carried out by the contractor, the Chairman is seeking legal advice to secure the Council's position and to ensure that reasonable steps are taken to protect public money. No written instructions were given to the contractor on this occasion and although the work was commissioned in good faith, the situation has demonstrated that clear, written specifications must be provided in future, and must be issued by the Clerk. Cllr Gooch

will contact the contractor to arrange an informal meeting and to keep him informed of the outcome. As soon as the legal advice is received a decision will be made. **ACTION: Cllr Gooch, Clerk**

c) Pavilion Site Boundary

Cllr Doe will look for details of specialists in invasive plants for advice on dealing with the bamboo roots which have caused the heave. Cllr Vizzard suggested researching on the internet to find out what the work to combat the heave will entail. Cllr Gooch and the Clerk will write the specification for the work ready to seek quotations from specialists.

ACTION: Cllr Gooch, Cllr Doe, Clerk

d) Interior Decorating

The quote that had been received from Nigel Gibson was discussed and members agreed that they would like additional work to be included. A job specification will be sent out to Nigel and two further quotes will be sourced. Cllr Gooch will look for decorators in the yellow pages and the Clerk will ask Peter Gooch to submit a quote.

ACTION: Cllr Gooch, Clerk

e) Main Hall Flooring

The Clerk had obtained four provisional quotes and Cllr Manser had also received a quote from a local company. Members were asked to view the different types of flooring material online. As the flooring will take the best part of a week to complete, it was decided that this project should be arranged before the internal decorating of the pavilion. Cllr Doe will visit the local school to seek advice on flooring and view how their floor is wearing. The companies will then be asked to visit the pavilion with samples and submit detailed quotes. Concerns that the flooring will need to withstand furniture being dragged across it will need to be taken into account; also advice regarding ease of on-going maintenance.

ACTION: All

f) Gutter Brushes

Cllr Manser had received advice from two separate companies against using the gutter brushes as they can cause blockages in downpipes. Nigel Gibson had suggested installing plastic downpipe bonnets instead of the brushes and as the gutters are already cleaned out when the maintenance is done, members were all in favour of this course of action. When the Clerk asks Nigel to carry out this work, she will also ask him to replace the missing drain cover on the exterior sink outlet at the pavilion with a suitable cover.

Although members recognise the fantastic work that this charity does, the request for funding was declined.

6.8 Parish Field Grass Cutting

Barming Youth Football club have enquired if the grass cuttings can be removed from the field as when wet can be rather slippery for the children. Cllr Willson recommended that members should look into the cost of double cuts for next year, which will hopefully eradicate the issue of left clippings; this was seconded by Cllr Doe with all in favour.

6.9 Department of Communities and Local Government Housing Survey

Cllr Gooch explained that the government wants, a standard method used to calculate social housing needs which is the main purpose of the survey. Cllr Willson volunteered to complete the survey on behalf of BPC.
